

Table of Contents

1 Influence of Downsized Design for Machine Tools on the Environmental Impact M. Taniguchi, Y. Kakinuma, T. Aoyama, et al	1
2 Micro Machining Of Glass With Micro End Mill Y. Kakinuma, T. Aoyama.....	16
3 Influence of MQL on Cutting Tool in Temperature T. Ueda, A. Hosokawa, R.Tanaka, et al.....	23
4 Micromachining and Burr Formation for Precision Components J. Hartnett, S. Min, D. Dornfeld.....	35
5 On the Estimation of Cutting Forces and Their Control in End Milling Processes S. Ibaraki, A. Matsubara.....	54
6 Influence of Coolant Supply Strategies and Cutting Conditions on Tool Life in End Milling of Titanium Alloys M. Rahman, J. Sun, Y. Wong, et al.....	77
7 Influence of Tool Engagement and Size Effect on Tool Wear in Micro Milling M. Rahman, M. Zaman, A. Kumar, et al.....	97
8 Virtual High Performance Milling S. Merdol, Y. Altintas.....	129
9 Tool Attitude Determination of 5-Axis Control Machining on the Basis of Area Division Method T. Umehara, K. Teramoto, T. Ishida, Y. Takeuchi.....	151
10 A Study on Circular Vibration Ball End Milling for Dies and Molds T. Moriwaki, K. Nakamoto, T. Shibasaki, et al.....	172
11 Influence of MQL on Cutting Tool in Temperature R. T. Coelho, J. F. G. Oliveria.....	188
12 Manufacturing in the New Millennium M. F. DeVries.....	207
